In the Matter of a Request by West Central  
Technologies, Inc. for a Certificate of  
Authority to Provide Private Line and Special  
Access Services as a Telecommunications  
Carrier in Minnesota

ISSUE DATE: August 20, 1997

DOCKET NO. P-5526/NA-97-900

ERRATUM NOTICE

On August 7, 1997, an informal Order was issued approving the request of West Central Technologies, Inc. (WTC or the Company) for a Certificate of Authority. By inadvertence, the three conditions adopted by the Commission as applicable to the Company's authority were not incorporated into the informal Order. Accordingly, that Order is amended to apply the following conditions to the Company's Certificate of Authority:

- WTC shall, prior to offering local telecommunications services, file and obtain Commission approval of a final tariff with correct implementation dates;
- WTC will be subject to the applicable rules arising from the rulemaking proceeding in Docket No. P-999/R-97-608 and P-999/R-97-609; and
- WTC shall not provide service pursuant to an interconnection agreement with any affected telephone company until the Commission approves the agreement pursuant to the requirements of the Telecommunications Act of 1996.

The Commission's Order issued August 7, 1997 in this matter, as amended in this Erratum Notice, remains in full force and effect, as of its issuance date, i.e. August 7, 1997.

BY ORDER OF THE COMMISSION

Burl W. Haar  
Executive Secretary
